

## Home IT Support

Dolphin Computer Upgrades Ltd was founded in 2003 with the express desire to make home computing accessible to all. Over 10 years later, we still have customers from those early days who know that they can trust us not to “bamboozle” them with technical jargon, and that we are patient no matter what their issues

### Dolphin’s services for home users include but are not exclusive to:

- ✓ Computer Repairs
- ✓ Printer Repairs/Inks
- ✓ New Equipment Sales and Installations
- ✓ Phone and tablet repairs
- ✓ Internet and Email Solutions
- ✓ Virus Removal/Prevention
- ✓ Data Backups/Recovery
- ✓ TV and Router Installs/Setups
- ✓ Telecoms and Broadband Solutions
- ✓ Remote and Onsite Support
- ✓ PC Health Checks
- ✓ Computer Tuition
- ✓ Home Office Installs

We have always come to you rather than expect you to bring your equipment to us. If we can fix your problem there and then, or even by a remote connection whilst chatting with you on the telephone, then we will. We try and be as straight forward and open as possible about whatever issues you are having and to get your problems resolved as quickly as possible.

If you would like some computer support, even if you don’t see your issue listed above, please do get in touch with us as we’re sure that we will be able to help you.
